### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

There was no prior art found by the examiner that suggested modification or combination with the cited art so as to satisfy the combination of all the limitations in claims 1, 9 and 16.

As to claims 1 and 16, the prior art of record, taken alone or in combination, fails to disclose or render limitations **"to disclose or render limitations "compiling a database of displacement measurements; examining at least two displacement measurements in the database; correcting at least one displacement measurement for effects of a pattern induced anomaly in the displacement measurements and producing an adjusted database; and deriving the surface characteristics of the substrate from the adjusted database"**, in combination with the rest of the limitations of claims 1 and 16.

As to claim 9, the prior art of record, taken alone or in combination, fails to disclose or render limitations **"directing an incident beam at an inspection grid of points on the substrate where the points are selected so that a reflected beam from each point in the inspection grid has minimal distortion, wherein the incident beam is multiplexed between two wavelengths"**, in combination with the rest of the limitations of claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
